

## WESTS BRISBANE JRL

### RETURN TO PLAY PROCEDURES (TRAINING)

- *Team must have nominated 2 Covid Safe marshals before being permitted to return to training.*
- *Players are to arrive no earlier than 15 minutes before training start time. (Families with multiple kids training at different times or arrive at ground early are wait in car.*
- *The teams Covid Safe Marshals will meet players at the Marshalling area at the end of canteen.*
- *If more than one team is training at the same time Marshals are to enforce a distance of 5 meters between teams.*
- *Marshals are to run through the "Wellness" script and record on a printed team sheet the names of each player in attendance for training. (These can be prefilled with player details and printed, and ticked off each night to save time)*

*These are to be submitted to the office after each training session to assist with contact tracing where necessary. See Below.*

- *Players are to sanitise using the sanitization point in front of the canteen.*
- *Marshals are to then move their team through the gate and make their way to the designated training area.*
- *Players are to ensure they have kit bags water bottles etc with them and these are to be spaced out 1.5 meters apart along the sideline of your designated training area.*
- *Coaches are reminded to be ready to commence training on time and must be finished and off the field on time to accommodate the next team.*
- *At the conclusion of training Marshals are to lead the team off the field using the exit by the score board. This area will be the collection point for parents leaving the ground.*
- *Families are reminded we are limited at this stage to 100 people. Waiting in your car is permissible however parents cannot wait around and watch by the sidelines.*

**Coaches and Managers are reminded the usual safety procedure still apply and those using the field first are responsible for ensuring all post pads lights etc are in place before players take the ground. It is also expected those last on the ground ensure all is packed down correctly.**

**At this stage we ask coaches use only the equipment provided to them and focus on skills and fitness drills, the use of tackle bags etc will require additional cleaning and sterilization.**

## Wellness Script
